To Resolve: Streetlights requiring repair that are adopted by Silverstone Parish Council

Streetlights in the following locations have been reported by residents and verified by the Clerk as not working/faulty. Hickford Lighting Ltd, whom the Parish Council have used previously, have quoted the following:

A) 1 x Murswell Lane

£1,196.40 inc VAT

NB: This quote is significantly higher than previous repair estimates due to the increased complexity of the work and additional regulatory requirements. Specifically, certain parts currently in use are no longer legally permitted, necessitating specialist involvement for key aspects of the repair process.
