War Memorial Restoration/Repair

The quote from last year has been updated and the cost remains the same.

A second quote was sort from another company whom despite repeated assurances have not provided the requested quote.

Following advice from fellow Clerk's a second quote is being sort from a company based locally in Flore.

VE Day 80 Celebrations

The Clerk has used her powers to purchase 12 bio-degradable lamp post signs from RBLI – celebrating VE Day 80, which will be placed approx. 1 week before the day

Residents in the High Street are planning a street party (like that of VE Day 75), which will be open to the village. A TTRO has been applied for.

Further details of this event can be found on Facebook.
